Urbanisation and Disaster Risks in the Himalaya

- ✓ How haphazard urbanisation increases disaster risk in the Himalaya?
- ✓ How political economy of neoliberal urbanisation shapes disaster risk in periurban Kathmandu?
- ✓ How protracted informal to formal transitioning sustains and enhances risk in urban Nepal?
- ✓ What are the limits of local institutions to address climate-induced disaster risks and vulnerability?
- ✓ What are the challenges in integrating and enhancing the forecast-based early actions in disaster risk reduction in Nepal?
