Water Security and Inclusive Water Governance in the Himalayas

- ✓ How does a social justice framing help understand local peoples' claims over natural resources?
- ✓ How do power relations shape water access and distribution between core and fringe areas in Nepali towns?
- ✓ What dynamics of conflict over water resources are emerging in the urbanising mid-hill towns of Nepal?
- ✓ How are civil-society groups responding to large dam projects in the Eastern Himalaya region of India?
- ✓ What issues and opportunities the newly formed local governments in Nepal are facing in implementing inclusive water governance?
- ✓ How can participatory community engagement transform gender relations in agriculture and water management?
- ✓ How do agrarian structures affect groundwater access for irrigation in Nepal's Tarai Madesh?
- ✓ How can local experts contribute to inclusive water governance?
