Nepalese Journal of Agricultural Sciences

2018, Volume 17

**HIMALAYAN COLLEGE OF AGRICULTURAL SCIENCES AND TECHNOLOGY
(HICAST)**

Kalanki, Kirtipur 1, Kathmandu, Nepal

TABLE OF CONTENTS

<u>EDITORIAL SUMMARY</u> - B. P. ChauLagain	5
--	---

ORIGINAL ARTICLES

1. Examination of biomaterial samples obtained from coffee and tangerine plants at Nepal's plantations affected by phytopathogens and determination of the efficiency of their suppression by the biofungicide - T.A. Nugmanova, A.N.Kalachnikova, M.V. Kabargina and D. D.Ulak.....	9
2. An assessment of socio-economic and technological changes in Lampakha eco-village, Salyan - N.S. Dharni, F. Binsfeld and B. P. Rajbhandari.....	15
3. Economic analysis of tomato farming under different production systems in Dhading District of Nepal - P. Paudel and R. K. Adhikari.....	24
4. Effect of different nitrogen and phosphorous doses on gladiolus yield in Ilam, Nepal - M. Basnet, S.M. Shakya and S.S. Pant.....	31
5. Effect of feed management schemes on productive performance of white turkeys - A.K. Jha, A. K. Sah, M. R. Tiwari and M. Sah Sudi.....	39
6. Histological changes in the liver tissues of bluegill sunfish (<i>Lepomis macrochirus</i>) after exposure to 17- β estradiol - N. P. Karki, B. S. Carlsward and A. Maia.....	46
7. Imbalanced nutrition in DY 28 Rice threatens production - S. Yendyo and S. Jyakhwo.....	54
8. The epidemiological history of rinderpest eradication in Nepal: Can we repeat this success story for peste des petits ruminants? - S. Karki and S. N. Mahato.....	61
9. Comparative study of marigolds in soil and soilless media - S. Giree and G. P. Shrestha.....	72
10. Sero-prevalence of mycoplasmosis in poultry in Badbhanjyang, Kathmandu, Nepal - S. S. Yadav and U. M. Singh.....	77
11. Production response of dairy cattle in relation to additional bypass protein supplementation in the diet - M. R. Tiwari, S. R. Pant, M. P. Acharya, P. Thapa and B. K. Shrestha.....	84

12. **Management of clubroot disease of cauliflower in Kavre, Nepal –T. B. Basnet, Debraj Adhikari, P. Ghimire and S. Khatiwada.....93**
13. **Major diseases of broad beans in Kathmandu, Nepal – S. Baral.....100**
14. **Adoption of goat production technology and its impact among rural farmers of Nawalparasi district, Nepal- K. Aryal, M. Jaishi and A. Gaire.....108**
15. **Climate change impacts on the livelihood resources of the Chepang community in western Nepal – P. Poudel.....113**
16. **Evaluation of variability and genetic parameters for yield and yield-attributing traits in spring wheat (*Triticum aestivum* L.) – D. Shahi, S. Ghimire, B. Ojha, M. Bhatta, S. Rasaily, R. Rauniyar and M. Sapkota.....124**
17. **Adoption of climate smart agricultural technologies: impact of agriculture management information system on rice production in Banke District, Nepal- S. Regmi, G. Shrestha, B. Baral and B. P. Rajbhandari.....133**
18. **Carnation cut flower production and marketing in Nepal - J. Dahal, D. Adhikari, K. Karki, D. Kafle, T Chaudhary and U. Pun.....140**
19. **Weed management in lentils (*Lens culinaris*) under mid hills conditions of Khumaltar, Nepal - R. Bhattarai, P. Gyawaly, D. Gautam, R. Neupane, B. Bhaulagain and S. Das.....151**
20. **In vitro somatic embryogenesis and organogenesis from the node induced calli of *Rauvolfia serpentina* Benth. ex Kurz. - K. K. Pant and S. D. Joshi.....159**
21. **Evaluation of barley germplasms for stripe rust (*Puccinia striiformis* westend. F.sp. *Hordei*) resistance in mid hill condition of Nepal - S. B. Gurung, N. B. Dhami, B. Bhakta Pokharel and D. K. Nepali.....166**
22. **Herbage mass productivity and chemical composition of the riverine grasslands as affected by site and time of harvest in a continuously stocked conditions - S.R. Barsila, T.N. Poudel, M.S. Dhami, S. Poudel, B. Shrestha, M. Sharma and N.R. Devkota.....173**
23. **Evaluation of different methods of boron extraction under plain deep soil domains of Nepal- D. Khadka, R. Amgain, S. Joshi, G. Shrestha, B. R. Baral, V. Chaurisiya, K. B. Thapa, S. Shrestha and S. R. Shrestha.....191**

24. **Assessing productivity and nutrient use efficiency of transplanted rice using Site specific nutrient management approach in Central hills, Nepal-** S. Thapa and L.P. Amgain.....198
25. **Drivers of transition from export to import of rice in Nepal-** A. Pudasainee, T. R. Chaulagai, Y. N. Ghimire and B. P. Chaulagain.....206
26. **Remittance earning and its impact to household labour dynamics in agrarian context of Nepal-** K.P. Thapalia and D. Devkota.....216
27. **Genetic variability, heritability, genetic advance and trait association study for yield and yield components in advanced breeding lines of wheat-** B. N. Adhikari, B. P. Joshi, J. Shrestha and N. R. Bhatta.....226

CASE STUDY

28. **Intestinal obstruction in a golden retriever dog due to the ingestion of a stone: a case report-** - R. Shrestha.....236

REVIEW ARTICLES

29. **Laboratory techniques for the determination of L-ascorbic acid, selenium and total phenols and their relation to health: a review -** P. Adhikari and P. Khanal.....239
30. **Selenium and its importance to human health: a review-** G. R. Pokhrel, B. Bhattarai, S. Pokhrel and Gui Di Yang.....245
31. **Factors affecting herbage mass productivity of tropical grasslands: A review-** S.R. Barsila.....254
32. **Agricultural research for advancing Nepal's development: Role of agriculture and forestry universities -** B.R. Upreti.....262
