NEPALESE JOURNAL OF AGRICULTURAL SCIENCES

2012, volume 10

Himalayan College of Agricultural Sciences & Technology
Affiliated to Purbanchal University

CONTENTS

RESEARCH ARTICLES

- 5 **Assessment of Varietal Adoption Patterns, Economy of Rice Farming and Impacts on Farmers Livelihood in Chitwan-** B. Chaulagain and M. Paudyal
- 17 **Biochemical Changes in Fermenting Cattle Urine and Implications on Plant Nutrient Conservation-** B.G. Kilande, J.S. Tenywa, M.C. Rwakikara-Silver and A. Amoding-Katusabe
- 30 **Effect of Integrated Nutrient Management on Growth, Yield and Soil Nutrient Status of Radish (*Raphanus sativus* Linn.)-** B.P. Bhattarai and L.Rana
- 37 **Embryo Transfer in Cattle: An Experience in Nepalese Context-** P.K. Pokharel and R.B. Rana
- 43 **Impact of Artificial Insemination (AI) on Milk Production Potentiality of Different Genetic Group of Cattle, their Crossbred (F1 and F2) Progenies under Farmer Managed Condition -** S. N. Mahato, B. K. Nirmal, N. Bhattarai, S. Sapkota and K. R. Sapkota
- 51 **Growth Comparison of Female Khari Goats Fed With Different Oil Seed Cakes in Western Hills of Nepal-** M.R. Tiwari, M.K. Shah and Y.K. Shrestha
- 59 **Selection of Suitable Species of Perennial Forages Under Rai Khanayo (*Ficus semicordata*) Based Silvipastoral System in The Mid-Hills of Western Nepal-** R. P. Ghimire, D. P. Adhikari, R. R. Khanal and M.R. Tiwari
- 69 **Comparison of Fungal and Microbial Biomass of Three Soils under Different Land Use Systems-** G. Dhakal
- 79 **Assessment of Farmers' Preferences on Planting Methods and Varieties of Potatoes in Ilam District-** K. Thapa, S. B. Gurung, D. R. Dangol and S. M. Shakya

- 84 Yield and Processing Quality of Potato in Response to Nitrogen and Potash- I. P. Gautam, M.D. Sharma, R.B. Thapa, B.B. Khatri, and K. Shrestha**
- 98 Biochemical Composition of Cultivated and Wild Nepali Buckwheat Species - B.P. Rajbhandari**
- 104 Food Security Situation in a Musahar Community at Udayapur - N. Nepal, B.R. Gautam and B. P. Rajbhandari**

REVIEW ARTICLES

- 109 Insect Pathogenic Fungus and Its Value in Soil Pest Control in Nepal- Yubak G.C.**
- 122 Entomological Research Works in Vegetable Crops of Nepal-R. B. Paneru**
- 138 Climate Change and Organic Agriculture in Nepal: A Review- K. R. Dahal**

SHORT COMMUNICATION

- 153 Farmer's New Approach to Reap Good Harvest from Club root-Affected Broccoli Plants at Madhyapur, Bhaktapur- G.K. Shrestha**
