# NEPALESE JOURNAL OF AGRICULTURAL SCIENCES

2011, Volume 9

Himalayan College of Agricultural Sciences & Technology  
Affiliated to Purbanchal University

## CONTENTS

- 5      Agronomic Performance and Economic Analysis of Maize (*Zea Mays* L.) under Different Plant Geometry and Nitrogen Rates in Chitwan, Nepal- J. Shrestha and K.P.Timsina
- 14     IPM Field School in Cucurbit Crop: A Participatory Teaching Learning Process in Academic Institutions- S. Tiwari, Y.D. GC and S. Sharma
- 22     Yield and Yield Attributes of Direct Seeded Upland Rice Varieties at Sundarbazar, Lamjung- A. P. Poudel, L. P. Amgain, B. B. Adhikari and S. M. Shrestha
- 30     Comparision of Growth Performance of Khari Goats Fed with *Ficus Lacor*, *Shorea Robusta* and *Castanopsis Indica* - M. R. Tiwari, R. P. Ghimire and D. P. Adhikary
- 37     Effect of Organic Nutrient Management on Growth, Yield and Soil Nutrient Status of Cabbage (*Brassica oleracea* var *capitata*) - B.P. Bhattarai and P. Kunwor
- 44     Relationships among Rotational Intensity, Crop Diversity Index, Land Utilization Index and Yield Efficiency in Bio-intensive and Conventional Farming Systems - B.P. Rajbhandari
- 53     Integration of Groundnut (*Arachis hypogaea* L.) in the Western Hills of Nepal -T. B. Karki, Y.R. Pandey, and K.H. Ghimire
- 61     Livelihood Strategies of Farm Families: Micro-Level Focus Using Generalized Algebraic Modeling System (GAMS) - G. D. Bhatta, W. Doppler and D. Lynch
- 76     Agronomic Evaluation of Cattle Manures for Cabbage Production: Animal Gender and Physiological Conditions - B.G. Kilande, J.S. Tenywa, M. Rwakaikara-Silver, and A. Amoding-Katushabe
- 90     Assessment of Red Ant Organic Management Options in Potato Field of Dhading, Nepal- M. R. Bhandari
- 95     Comparison of Autogenous and Commercial Vaccine for the Protection against Inclusion Bodies Hepatitis- P. Shrestha and D.K. Singh
- 103    Use and Chemical Analysis of Wild Food in Protected Areas of Nepal -S. Shrestha
- 107    Study on Prevalence of Coli form in Goat Meat from Different Meat Shops of Kathmandu Valley - S. Bhandari
- 112    Bio-intensive Farming System: Validation of Its Approaches in Increasing Food Production, Improving Food Security and Livelihoods- B. P. Rajbhandari
