TABLE OF CONTENTS

<i>Foreword from Chairman of Nepal Engineering Council.....</i>	<i>i</i>
<i>Foreword from Chairman of University Grants Commission.....</i>	<i>ii</i>
<i>Foreword from Vice Chancellor of Tribhuvan University.....</i>	<i>iii</i>
<i>Foreword from Vice Chancellor of Kathmandu University.....</i>	<i>iv</i>
<i>Foreword from Vice Chancellor of Nepal Academy of Science & Technology.....</i>	<i>v</i>
<i>Foreword from Dean of Institute of Engineering.....</i>	<i>vi</i>
<i>Foreword from President of Nepal Engineering Association.....</i>	<i>vii</i>
<i>Foreword from Principal of Kantipur Engineering College.....</i>	<i>viii</i>
<i>Foreword from Editor in Chief of Kantipur Engineering College.....</i>	<i>ix</i>
<i>Organizing Committee, Editorial Board, Advisory Board.....</i>	<i>x</i>
<i>Special Acknowledgement.....</i>	<i>xii</i>
1. Deep Learning Based Brain Tumor Identification in MRI Images on Utilizing Deep Features.....	2
2. Counter Measuring the Adversarial Attack in Neural Network Using FGSM Model.....	7
3. Decentralized Book Publishing Platform using Blockchain and IPFS: An NFT-based Solution to Royalty Theft.....	12
4. Smart Health Monitoring Device.....	18
5. Harmonic Mitigation Using Shunt Active Power Filter.....	28
6. Plant Diseases Detection System Using Deep Learning.....	32
7. Stock Trading of Bank and Financial Institutions Using Reinforcement Learning.....	40
8. Measurement Redundancy Based Optimal Placement Of Phasor Measurement Units: A Case Study on Integrated Nepal Power System.....	46
9. Sahayogi: Cash and Voucher Assistance using Blockchain.....	50

10.	Leveraging Transliteration, Spelling Detection and Correction, Parts of Speech Tagging and Next Word Prediction for Effective Nepali Typing.....	55
11.	Study On The Seismic Response Of Stiffness Irregular Building On Infill RC Frame.....	64
12.	Non-linear Material Model Of Reinforced Concrete Structures For Finite Element Analysis.....	70
13.	Heritage BIM(HBIM) For Documenting Kwahiti' - A Stone Spout In Kathmandu.....	77
14.	Seismic Microzonation Of Kathmandu Valley: A Review.....	85
15.	Nonlinear Analysis Of Masonry Buildings: Strategies For Simplified Modelling In SAP 2000.....	90
16.	Construction Compliance Of Residential Building With Design And MRT In Lalitpur Metropolitan City.....	96
17.	Assessment Of Skilled Human Resources And Their Quality For School Building Purpose In Local Level: Cases From Ramechhap District Of Nepal.....	103
18.	Non Linear Performance Analysis Of High Rise Building.....	114
19.	Design, Fabrication And Performance Analysis Of Pico Francis Turbine With Experimental And Computational Methods.....	117
20.	In-situ Ground Improvement- A Case Study Of Galchhi-Trishuli-Mailung Highway.....	123
21.	Effect Of Parking Space Shortage On Commuter Departure Time Choice: A CaseStudy Of New Road,Kathmandu.....	131
22.	Analysis of Users' Perception of Contemporary Ride Sharing Services in Kathmandu.....	137
23.	Public Perception Study On Road Crossing Facilities And Determination Of Waiting Time.....	145
24.	Transport Network Representation Of Lalitpur Metropolitan City Inside The Ringroad.....	149
25.	Traffic Delay Assessment And Scenario Projection Of Ekantakuna-Satdobato Section Of Kathmandu Ring Road (neh39).....	155
26.	Assessment of Pedestrians' Infrastructures and Facilities at Birendranagar Municipality: A Case of Mangalgadi to Birendrachowk.....	162
27.	Passenger Car Unit Estimation Of Vehicles For Heterogeneous Traffic Stream At Selected Intersections In Kathmandu Valley.....	166
28.	Cement Stabilization Of Soft Soil Subgrade For Pavement in Kathmandu Valley.....	170
